

2nd International Joint Conference on Materials, Manufacturing Technology and Simulation

8th – 10th March 2021 in Shah Alam, Malaysia

Towards lightweight material and resource-efficient manufacturing

CALL FOR PAPERS

INTERNATIONAL JOINT CONFERENCE ON MATERIALS & MANUFACTURING TECHNOLOGY & SIMULATION

IJCAMTS 2021 invites researchers and industrial practitioners in the domain of Advanced Material, Manufacturing Technology and Simulation to disseminate their recent results, studies, implementations and techniques at international level. It offers participants the opportunity to experience the state-of-the-art research findings and to initiate collaboration between industry and academia in the applied fields of advanced materials, manufacturing technology and simulation.

The topics are but not limited to:

- (1) Advanced Material, Manufacturing Technology and Simulation
- (2) Railway and Rolling Stock Manufacturing
- (3) Aerospace and Additive Manufacturing
- (4) Lean Kaizen & Reliability Engineering
- (5) Advanced Manufacturing with IR4.0
- (6) Manufacturing for Energy and Oil & Gas Sector

Participant Category	Early bird (by 21 st January 2021)		Normal Fee (by 7 th February 2021)	
	Malaysia	International	Malaysia	International
Presenter	RM 1300	USD 350	RM 1400	USD 400
Non-Presenting participant and delegate	RM 50	USD 20	RM 50	USD 20
Additional Paper	RM 1100	USD 300	RM 1100	USD 300
Special Workshop (9 th March 2021)	RM 600	USD 150	RM 800	USD 200

Special Workshop

(10th March 2021, SMRI UiTM Shah Alam):
Generative Design and Numerical Computation for 3D Metal Printing

IMPORTANT DATES:

Submission of full paper draft: 27th November 2020

Completion of Review: 7th January 2021

Notification of Acceptance: 14th January 2021

Revised Final Paper: 7th February 2021

Peer-reviewed and accepted manuscripts will be published in Scopus-indexed regular or special issue journal of Solid State Technology.
