

2nd International Conference

10-11 March 2021
Shah Alam,
Malaysia

Biomechanics and Medical Engineering

2021 Organized by
Biomechanical & Clinical Engineering (BioMEC) Research Group
Faculty of Mechanical Engineering, Universiti Teknologi MARA

Virtual Conference

The Biomechanical & Clinical Engineering Research Group (BioMEC) and the Faculty of Mechanical Engineering of Universiti Teknologi MARA (UiTM), Malaysia are pleased to announce the 2nd International Conference on Biomechanics and Medical Engineering 2021 (ICBME 2021). It will be held on 10-11 March 2021 using virtual platform.

Highlighting the theme "Engineering for Humanity", ICBME 2021 attempts to gather engineers, scientists and non-scientists in a conference to present and discuss about topics that will benefit humanity at large. Research in engineering and science would be more meaningful if the purpose is to serve humanity, and vice versa, feedbacks from non-scientists could provide the guide for practical engineering research in improving the quality of life. Therefore, the discussion and collaboration between engineers, scientists and non-scientists are vital.

We invite you to submit papers in the following areas:

BIOMECHANICS & MEDICAL ENGINEERING

- Applied Sciences and Biosciences
- Biomaterial Science and Processing
- Computational Modelling and Software Engineering
- Dynamic, Vibration, Acoustic and Control System
- Numerical Analysis and Computer Engineering
- Intelligent Systems and Information Technology
- Biomechanics
- Ergonomics
- Engineering Design
- Biomechanical Engineering
- Medical Engineering & Technology
- Medical Devices and Systems
- Motion Capture and Analysis
- Rehabilitation
- Sport Sciences

PUBLICATION ENQUIRIES:

icbme2021@gmail.com

Best Paper & Presenter Award

E-Certificate will be given to all participants
and presenter

EARLY BIRD

| Participant Category | Malaysian Early Bird (by 28 January 2021) | International Early Bird (by 28 January 2021) |
|---|---|---|
| Presenter & Publication* | RM 1300 | USD 350 |
| Non-presenting participants and delegates | RM 50 | USD 20 |
| Additional paper | RM 1100 (Each additional paper) | USD 300 |

NORMAL FEE

| Participant Category | Malaysian Normal registration (by 17 February 2021) | International Normal registration (by 17 February 2021) |
|---|---|---|
| Presenter & Publication* | RM 1400 | USD 400 |
| Non-presenting participants and delegates | RM 50 | USD 20 |

Note:

* Includes registration and publication fees.

*Additional papers fee is standard across early bird and normal registration deadlines

IMPORTANT DATES! **January 27, 2021**

Submission of full paper draft: **December 15, 2020**

Completion of review: **February 14, 2021**

Notification of acceptance: **February 18, 2021**

Manuscript Submission:

https://easychair.org/conferences/?conf=icbme_2021

Committee

Honorary Chair

Prof Ir Dr Muhammad Azmi Ayub
Dean, Faculty of Mechanical Engineering,
Universiti Teknologi MARA, Malaysia

Conference Chair

Prof Ir Dr Jamaluddin Mahmud

Program Chair

Dr Nor Fazli Adull Manan
Dr Abdul Hakim Abdullah

Technical Chair

Dr Mohd Nor Azmi Ab Patar
Dr Nik Rozlin Mohd Masdek
Dr Hafizan Hashim

Event Managers

Dr Nursalbiah Nasir
Nor Merlisa Ali

Publication

Accepted papers will be considered for publication in SCOPUS-indexed Journals or proceedings. The conference targets 30 high quality manuscripts for publication in selected journals, where the manuscripts must fulfil the journals standard and requirement

20 high quality manuscripts are allocated for publication in the special issue of **Pertanika Journal of Science and Technology** (ISSN 01287680) (indexed by SCOPUS (Elsevier), ESCI (WoS))

&

10 high quality manuscripts are allocated for publication in the regular issue of the **Journal of Mechanical Engineering (JMEE)** (ISSN 1823 5514, eISSN 2550 164X) (indexed by SCOPUS (Elsevier))
